

REMARKS

Fig. 5, apparently omitted from the filing papers submitted on June 23, 2003, does not represent any new matter. It is identified broadly at page 5, lines 20-21, and in considerable detail at page 22, line 3 and extending to page 23, line 4. Fig. 5, that is a flowchart, is described perfectly by the written description, and hence recruitment of Fig. 5 at this time does not constitute new matter. Entry accordingly is requested.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
